ANZGOSA / AGITG meeting
SPONSORSHIP
October 5 and 6, 2017

We would like to offer you the opportunity to sponsor the ANZGOSA Annual meeting being held on the 5th & 6th of October 2017. We are thrilled to be holding this year's event in tropical North Queensland at the Cairns Convention Centre. The 2017 meeting will be combined with AGITG Annual scientific meeting and we look forward to a vibrant and interactive program.

This prospectus covers sponsorship for the ANZGOSA aspect of the meeting, however you will have the benefit of being exposed to over 250 AGITG delegates as well. Iain Thomson is convenor of the ANZGOSA program and we are privileged to have confirmed Professor John Reynolds as our international surgeon and guest speaker. Professor Reynolds is Professor of Clinical Surgery at the St James' Hospital and Trinity College Dublin.

The meeting will have a comprehensive program and is expected to be well supported by Australian and New Zealand Upper gastrointestinal surgeons, with total registrations expected in the vicinity of 350.

The ANZGOSA program will run over 2 days. A concurrent program will include AGITG on the Thursday and will be exclusive to ANZGOSA on Friday. The combined conference dinner will be held on Thursday evening at the Shangri-la Hotel.

Themes for the meeting will include:

- Personalized cancer therapies
- Role of robotics
- Role of registries/databases
- Training for cancer surgery and skills,
- Links between obesity, reflux and OG cancer,
- Patient reported outcome measures
- Roles of adjuvant/neoadjuvant therapies including biologicals

We welcome your support of our annual meeting and we encourage your active participation at ANZGOSA 2017. See you in Cairns.

Kindest regards,

Professor Wendy Brown
President ANZGOSA
